

# Naizak Power System

**Transformer, Switchgear, Control Panel, Protection Relay, CT, VT & Cable Installation, Testing & Commissioning Services**

Trained Engineers & Technicians carry out all Service & Repair work under covered and reliable warranty.

## Testing Instrument & Equipment available with Naizak

<p><b>A - Transformer Testing Equipment</b>            A1-AVO Transformer Ratio Meter 3 Phase - 20,000            A2-AVO Transformer Ratio Meter 1 Phase - 20,000            A3-AVO Oil Testing, Kit 100 kV            A4-AVO Liquid Moisture Tester 1 ppm            A5-AVO Winding Resistance Tester 2 mΩ to 2000 Ω            A6-AVO AC/DC Hipot Tester 4 / 5 kV-0-4/5 kV            A7-AVO Insulation Power Factor Tester (Doble) 0-12 kV, 0-100 mA     Delta-2000</p>
